Dear Dean Miller

We would like to bring Dr. Amro Ali on board in the Department of Ophthalmology as a full time instructor. He is an experienced researcher and will be submitting grant and IRB proposals. This is in line with your recent initiatives to enhance research at the SOM.

Thank you.

Hello Marie
How do we proceed to grant Dr Ali a full time position in the Department of Ophthalmology. As a researcher he will have no clinical responsibilities.
Thanks
RW

Hi Dr. Wong,
I hope this email finds you ok, I would like to know if there is any update about the FT position.
This position will allow me to submit a grant and/or IRB form the department and I can not submit anything without.
Your kind help is really appreciated
We are on hold till I get this so I can submit IRB/grant.
Amro Ali.
